

Transport ME

— Ride Green, Earn Rewards —

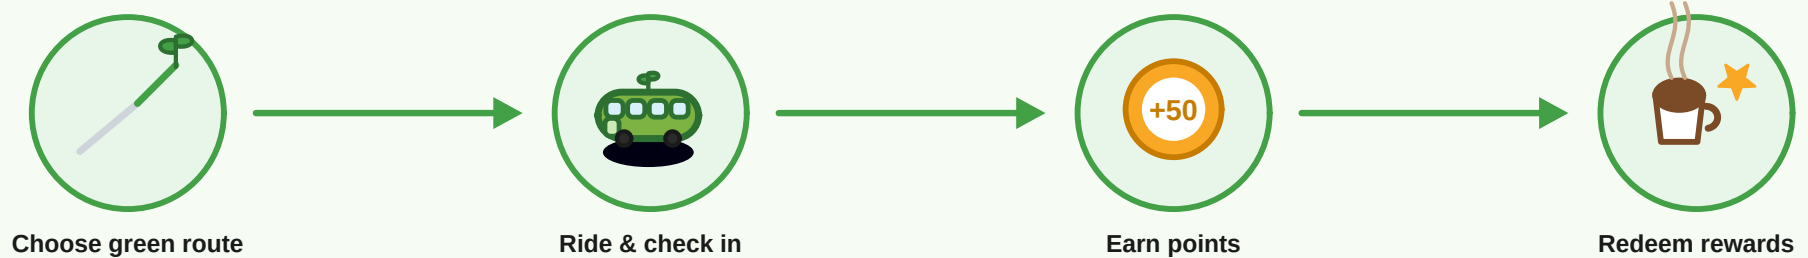

THE CHALLENGE

Across Greece, public transport is seen as unsafe and unreliable, so students and low-income riders fall back on cars. The hard part is giving people a reason to choose the bus.

OUR SOLUTION

Transport ME is a mobile app that rewards greener travel. Every bus, train or bike trip earns points — redeemable for ticket discounts, coffee and offers — turning commuting into a game worth playing.

HOW IT WORKS

Greener trips earn points — the bus becomes the fun, cheaper choice
